## SEA RIB™ RESPONDERS

Navy grey tube : P/N Z80360  
 Black tube : P/N Z80362  
 Orange tube : P/N Z80361

### EVOLVED FROM A LONG LINE OF RIB

Zodiac Milpro's SEA RIB™ Responders are built for military use. They are simple, functional, tough, and have been designed to improve maintenance and user's comfort.

Their collar is made with Zodiac Milpro's special intercommunicating valves. It is removable to make maintenance and eventual change easier and faster.

The SRR decks are self draining, and feature a molded bow box and aft motor well to provide convenient storage volumes. These boats come with a large capacity built in fuel tank with a deck access hatch to the fuel connections and gauge.
