

GRAND RAID™

INFLATABLE MULTIPURPOSE BOAT

THE HISTORIC ZODIAC MILPRO™ BOAT

The Grand Raid™ name is almost as old as Zodiac Milpro™ itself and has gone through design and feature evolutions to still be very relevant in today's market.

Grand Raid™ boats form the backbone of many small boat fleets and are pretty much unique in its full equipment definition. They continue to answer the needs of users worldwide.

Zodiac Milpro™ is proposing Grand Raid™ boats with a reinforced fabric, intercom valve system, a large flow self-bailer and a long shaft transom adapted to new generation engines.
