THE TOUGHEST RIBS

Zodiac Milpro™ Sea Riders boats have been proven in operation use around the world, by both military and professional operators with their unique water ballast system and deep “V” hull, giving the craft exceptional sea keeping capabilities, yet still offering high performance and manoeuvrability in the heaviest of seas.

The Zodiac Milpro™ Sea Riders boats can be ship launched and self-righting system, inboard variants are also available on certain models.

Zodiac Milpro™ have been at the forefront of the design and development of RIBs since its onset.
