SRMN-600

SEA RIB MARINE AND NAVY

Zodiac Milpro™ SRMN boats were originally built for military use. Their hulls are reinforced to take the maximum G forces that are applied when fully loaded and powered at maximum speed. These Sea Rib™ are simple, functional and tough. The collar is a heavy-duty CSM / neoprene with Zodiac Milpro™ special intercommunicating valves. The total deck area is open and reinforced allowing installation anywhere of our wide range of steering consoles, bolsters and other equipment.

SRMN boats heavy-duty buoyancy tube is also available with Durarib™ technology.

Available as an “off the shelf” product and maintained in stock at warehouses and selected dealers.

SPECIFIC FEATURES

TECHNICAL DATA

Zodiac Milpro International reserves the right to change the specifications of this technical data sheet without notice.
